

Leadership & Management

Key Driver for Economic Development

Embedded within all subject areas and also as a specialism. Provision at all levels in full-time, part-time and distance learning.

Advisory Group

Representatives from 6 institutions sit on our advisory group to steer work in this area.

Projects

- Foundation Degree (FD) in Leadership and Management at North East Worcestershire College
- Top up in Leadership and Management for FDs at University of Worcester (UW)
- Leading to Excellence programme with Leadership Trust and UW
- Linking NVQs into FDs at Evesham & Malvern Hills College

Professional Qualifications

We are working together to show how professional qualifications map into HE. Subjects included:

- Accountancy
- Administration
- Management
- Marketing
- Personnel
- Purchasing

Distance Learning

We looked at provision across the two counties and identified a lack of courses with some distance learning. We have funded projects in:

- FD Payroll & FD Business
- AMSPAR
- FD Service Sector Management
- Executive Diploma in Management
