Spa & Salon Management FdA

“This course will prepare practitioners and salon managers to enhance service to their clients and to get the most from their business.”

Spa & Salon Management Course Leader

Study Spa & Salon Management at Gloucester

Delivered at Gloucestershire College, this vocationally focused Foundation degree is suitable for anyone working in spa or salon management.

You will acquire management skills, academic knowledge and transferable skills that will take your career to the next level.

A significant component of the course must be made up of practice-based and work-based learning.

- An exciting, innovative and flexible work-focused course delivered at Gloucestershire College
- Designed to prepare individuals for employment in the spa and salon management setting
- Nationally recognised qualification
- High quality and friendly tutor support
- Two-year full-time programme
- Integration of academic study with practice and work-based learning opportunities in health and complementary therapy contexts
- Multidisciplinary approach
- Opportunity to progress to a relevant Top-up degree and postgraduate study

The course can be studied full-time in two years.

Career Opportunities

Graduates can expect greater employability and enhanced promotion prospects. There should be opportunities open to you in the management field.

Alternatively, you may choose to go on to further study. On successful completion of the Foundation degree, you will be eligible to apply for direct entry to the third year of the Undergraduate Modular Scheme at the University of Worcester on the Leadership and Management BSc (Hons) Programme.
